

QEIS02B Environmental Policy

(ISO 14001:2015, Clause 5.2)

We have established this environmental policy to be consistent with the purpose and context of our organisation. It provides a framework for the setting and review of environmental objectives in addition to our commitment towards the following:

- protecting the environment, including the prevention of pollution;
- ensuring sustainable resource use, climate change mitigation,
- conforming to applicable legislative, regulatory and compliance obligations;
- continually improving our environmental management system and enhancing environmental performance.

We have established environmental objectives related to this policy, which can be found in the document IMR04 IMS Objectives.

This policy is communicated to all interested parties and made available to the wider community through publication on our website, company noticeboard, and intranet.
