In these Terms and Conditions (hereafter "*Agreement*" or "*Terms*"), "*we*," "*us*," "*our*" or "*Clear Ideas*" will refer collectively to Clear Ideas and or Clear Connections Ireland Limited with their registered address at No 19, The Exchange, Calmount Park, Ballymount, Dublin, D12 F5X0, Ireland (Registered address) and or Clear Connections Europe Limited with its registered address at 207 Regent Street 3rd Floor, London, W1B 3HH.

The terms "*you*," "*your*," and "*Customer*" will refer to you. To be eligible to register for a customer account to use the Services, you must review and accept these Terms by clicking on the "I Accept" or "Get Started" button or other mechanism provided. If you are registering for a customer account to use the Services on behalf of an organisation, then you are agreeing to these Terms for that organisation and promising to Clear Ideas that you have the authority to bind that organisation to these Terms (and, in which case, the terms "*you*" and "*your*" or "*Customer*" will refer to that organisation). The exception is if that organisation has a separate written agreement with Clear Ideas covering the use of the Services, in which case that agreement will govern such use.

Please review these terms carefully. Once accepted, these terms become a binding legal agreement between you and Clear Ideas. If you do not agree to be bound by these terms, do not click the "I accept" or "get started" button, and do not use the services.

When we refer to the "*Services*" in these Terms, we mean to include all products and services that Clear Ideas offers and that you order under an Order Form or by using the Clear Ideas customer account. This also includes our services provided to you on a trial basis or otherwise free of charge. Services may consist of products that provide both (a) the platform services, including access to any application programming interface ("*API*"), and (b), where applicable, connectivity services that link the Services to the telecommunication providers' networks via the Internet.

When we refer to the "*Customer Application*", we mean any software application or service the Customer makes available to End Users that interfaces with the Services.

When we refer to the "*Clear Ideas API*", we mean an application programming interface for the Services (or feature of the Services) provided to you by us.

When we refer to the "*Documentation*", we mean all of the API instruction manuals and guides, code samples, manuals, guides, online help files and technical documentation made publicly available by us for the Services, and as may be updated from time to time. This is available at <https://support.ClearIdeas.com>.

## 1. Changes to These Terms

Prior notice of changes: Clear Ideas may update these Terms and Conditions from time to time by providing you with prior written notice by email of material updates at least thirty (30) days in advance of the effective date. Notice will be given via an email to the email address owner of your account. This

notice will highlight the intended updates. Updates will be effective upon the date indicated on the notice subject to the paragraph below.

Your acceptance: Following such notice, your continued access or use of the Services on or after the effective date of the changes to the Terms constitutes your acceptance of any updates. If you do not agree to any updates, you should notify us immediately and explain the objection(s). We will discuss the objection(s) with you and attempt to reach an agreement, which we will confirm in writing as an amendment specific to you. If no agreement can be reached by the effective date of the changes, we would either agree in writing to continue under the existing terms, or you must stop using the Services within 30 days of being notified to do so.

## 2. Your Account(s)

2.1 To use the Services, you will be asked to create a customer account. As part of the account creation process, you will be asked to provide your email address and verify that you are a person by providing a telephone number to which we will send you a verification code to enter into a form. Until you register for an account, your access to the Services will be limited to what is available to the general public. When registering for an account, you must provide true, accurate, current, and complete information about yourself as requested during the account creation process. You may also create sub-accounts within each account. You must keep that information true, accurate, current, and complete after you create each account.

2.2 You are solely responsible for all use (whether or not authorised) of the Services under your customer account(s) and any subaccount(s), including the quality and integrity of your Customer Data and each Customer Application (as defined below). You are also solely responsible for all acts and omissions of anyone who has access to or otherwise uses any Customer Application ("End Users"). You agree to take all reasonable precautions to prevent unauthorised access to or use of the Services and will notify us promptly of any unauthorised access or use. We will not be liable for any loss or damage arising from unauthorised use of your customer account(s). You will be solely responsible, at your own expense, for acquiring, installing, and maintaining all hardware, software and other equipment as may be necessary for you and each End User to connect to, access, and use the Services.

2.3 As part of the sign-up process Clear Ideas may verify your personal and or company information with a third-party credit reference agency and other databases to verify your personal and company information to prevent fraud or money laundering. This will involve a soft search being placed on your credit file. We reserve the rights to carry out director credit checks if required. If the business is a start up with no credit history, we reserve the right to offer you amended terms which may include a deposit. We reserve the right to deny service in accordance with internal credit scoring criteria.

## 3. Access and Use of the Services

3.1 Provision of the Services. We will make the Services available to you in accordance with these Terms, the Documentation, and any applicable Order Forms. The Services will comply with this Service Level Agreement ("SLA"), which may be updated from time to time in accordance with Section 1. We will provide the Services in accordance with laws applicable to Clear Ideas. 's provision of the Services to its

customers generally (i.e., without regard for your particular use of the Services), and subject to your use of the Services in accordance with these Terms, the Documentation, and any applicable Order Form.

3.2 You may use the Services, on a non-exclusive basis, solely to: (a) use and make the Services available to End Users in connection with the use of each Customer Application in accordance with the Documentation and our Acceptable Use Policy; (b) use the Services solely in connection with and as necessary for your activities pursuant to these Terms; and (d) allow your affiliates to use the Services (subject to Section 8 (Affiliates)) pursuant to this Section 3.

## 4. Customer Data

4.1 Use of Customer Data. "Customer Data" consists of data and other information made available to us by or for you through the use of the Services under these Terms. You instruct us to use and disclose Customer Data only in so far as is necessary to (a) provide the Services consistent with the Clear Ideas Data Processing Agreement, and this Section 4, including detecting, preventing, and investigating security incidents, fraud, spam, or unlawful use of the Services, and (b) respond to any technical problems or your queries and ensure the proper working of the Services. Should Clear Ideas act in breach of its obligations under this Section 4 and/or Section 12.1.4 and/or the Data Processing Agreement it shall indemnify you in respect of any claims or fines which may arise from that breach to the extent that Clear Ideas is responsible for the same up to a maximum amount of €1,000,000.

4.2 PCI DSS: Clear Ideas shall comply with the requirements of the PCI-DSS and attest to compliance annually as a Third-Party Service Provider. In line with our obligations under PCI-DSS Requirements 12.8.2 and 12.9 we shall take full responsibility for the security of payment card data whilst in our environment as shown in Appendix 3 – Data Flow Diagram showing the service data flows and service demarcation points. In addition, to maintain compliance to PCI-DSS 12.8.5, each party will be responsible for maintaining compliance to the PCI-DSS as set out in the Clear Ideas Responsibilities Matrix.

4.3 Data Security. We shall be responsible for the security of the processing, storage, and transmission of your data that we undertake in accordance with the terms of this Agreement (including the Data Processing Agreement); We shall only process, store or transmit your data for the purpose of providing the Services and in accordance with your instructions (as set out in the Data Processing Agreement). We conduct regular testing of the systems and procedures outlined in this Agreement.

4.4 Data Retention. Details regarding how long your end-user personal information may be stored on Clear Ideas systems and how to delete, access, or exercise other choices about end-user data will depend on which Clear Ideas products and services you are using and how you are using them. For that reason, our API documents and product collateral for each of our products and services are the best place to find more detailed information about managing end-user data collected and stored in connection with your use of our products and services, as well as the particular data retention periods for your use case. If the Clear Ideas product or service you use enables you to store records of your usage on Clear Ideas, including personal information contained within those records, and you choose to do so, then Clear Ideas will retain these records for as long you instruct. In some cases, the use of extended storage may cost more. If you later instruct us to delete those records, we will do so. Please note that it may take up to 30 days for the data to be completely removed from all systems. In some cases, a copy of those

records, including the personal information contained in them, may nonetheless be retained to carry out necessary functions like billing, invoice reconciliation, troubleshooting, and detecting, preventing, and investigating spam, fraudulent activity, and network exploits and abuse. Sometimes legal matters arise that also require us to preserve records, including those containing personal information. These matters include litigation, law enforcement requests, or government investigations. If we have to do this, we will delete the impacted records when no longer legally obligated to retain them. We may, however, retain or use records after they have been anonymised if the law allows.

## 5. Customer Responsibilities, Restrictions and Requirements

5.1 Your Responsibilities. You will: (a) be solely responsible for all use (whether or not authorised) of the Services under your account, including for the quality and integrity of Customer Data and each Customer Application; (b) use Services only in accordance with this Agreement, Documentation, Order Forms or other applicable terms relating to the use of the Services, and applicable laws; (c) be solely responsible for all acts, omissions and activities of your End Users, including their compliance with these Terms, and any Order Forms or other terms of sales of the Services; (d) do your best to prevent unauthorised access to or use of the Services and notify Clear Ideas promptly of any such unauthorised access or use; (e) provide reasonable cooperation regarding information requests from law enforcement, regulators, or telecommunications providers; and (f) comply with the representations and warranties you make in Section 12 (Representations and Warranties) below.

5.2 Services Usage Restrictions. With regard to the Services, you agree that: (a) except to make the Services available to your End Users in connection with the use of each Customer Application as permitted herein, you will not transfer, resell, lease, license or otherwise make available the Services to third parties or offer them on a standalone basis, other than permitted by Section 8; (b) you will not attempt to use the Services to access or allow access to Emergency Services (meaning, an official government-sponsored emergency telephone number (such as 112 in the European Union and other locations worldwide) which is used to dispatch professional emergency responders) unless the Service is expressly approved for Emergency Services; (c) you will ensure that the Services are used in accordance with all applicable law of the jurisdiction within which you operate; (d) you will ensure that we are entitled to use your Customer Data, as needed to provide the Services; (e) you will not use the Services in any manner that violates any applicable law of the jurisdiction within which you operate; (f) You will not use the Services to create, train, or improve (directly or indirectly) a substantially similar product or service, including any other machine translation engine; (g) you will not create multiple Customer Applications or Service accounts to simulate or act as a single Customer Application or Service account (respectively) or otherwise access the Service in a manner intended to avoid incurring fees; (h) except as allowed by applicable law, you will not reverse engineer, decompile, disassemble or otherwise create, attempt to create or derive, or permit or assist anyone else to create or derive the source code of any software provided in connection with the Services.

5.3 Suspension of Services. In addition to suspension of the Services for non-payment of fees as described in Section 10.3 (Suspension for Non-Payment), we may also suspend the Services immediately upon notice for cause if: (a) you violate (or give us a reasonable reason to believe you have violated) any material provision of these Terms, (b) there is reason to believe the traffic created from your use of the Services or your use of the Services is fraudulent or negatively impacting the operating capability of the Services; (c) we determine, in our sole discretion, that providing the Services is prohibited by applicable law, or it has become impractical or unfeasible for any legal or regulatory reason to provide the Services;

or (d) subject to applicable law, upon your liquidation, commencement of dissolution proceedings, disposal of your assets or change of control, a failure to continue business, assignment for the benefit of creditors, or if you become the subject of bankruptcy or similar proceeding, or (e) there is any use of the Services by Customer or End Users that threatens the security, integrity or availability of the Services. However, Clear Ideas will use commercially reasonable efforts under the circumstances to (x) provide you with notice and an opportunity to remedy such violation or threat prior to any such suspension; (y) where practicable limit the suspension based on the circumstances leading to the suspension (e.g., to certain phone numbers, sub-accounts or other subset of traffic); and (z) remove the suspension as quickly as reasonably practicable after the circumstances leading to the suspension have been resolved.

## 6. Changes to the Services.

The features and functions of the Services, including the Clear Ideas Application Programming Interface and our service level agreement may change over time. It is your responsibility to ensure that calls or requests you make to the Services are compatible with our then-current Services. Although we try to avoid making changes to the Services that are not backwards compatible, if any such changes become necessary, we will use reasonable efforts to let you know at least sixty (60) days prior to implementing those changes.

## 7. Beta Offerings.

From time to time, Clear Ideas may make Beta Offerings available to you at no charge. You may choose to try such Beta Offerings or not in your sole discretion. Clear Ideas may discontinue Beta Offerings at any time in our sole discretion and may decide not to make a Beta Offering generally available. For avoidance of doubt, such Beta Offerings are not "Services" under these Terms. "Beta Offerings" means services that are identified as alpha, beta, non-GA, limited release, developer preview, or any such similarly designated services, products, features, and documentation offered by Clear Ideas.

## 8. Affiliates

Your affiliates mean any entity or person that controls you, is controlled by you, or under common control with you, such as a subsidiary, parent company, or employee. The term "control" means more than 50% ownership. Similarly, if we refer to our affiliates, we mean an entity or person that controls us, is controlled by us, or is under common control with us. If your affiliates use the Services under these Terms, then you and those affiliates will be jointly and severally responsible for the acts and omissions of your affiliates, including, but not limited to, their breach of these Terms. Any claim from any of your affiliates that use the Services pursuant to these Terms may only be brought against us by you on your affiliates' behalf.

You may permit a third party supplier of outsourcing or facility management services and/or a third party provider of services to you to receive the benefit of and use the Services provided by us to you for the purpose of providing services to you provided that (i) You are responsible for ensuring that any such third party supplier complies with the terms of this Agreement as they relate to the use of the Services on the same basis as applies to you; and (ii) you shall remain fully liable for any and all acts or omissions by such third party supplier related to this Agreement.

## 9. Relationship of the Parties

9.1 Relationship. You and Clear Ideas are independent contractors in the performance of each and every part of these Terms. Nothing in these Terms is intended to create or shall be construed as creating an employer-employee relationship or a partnership, agency, joint venture, or franchise. You and Clear Ideas will be solely responsible for all of our respective employees and agents and our respective labour costs and expenses arising in connection with our respective employees and agents. You and Clear Ideas will also be solely responsible for any and all claims, liabilities or damages or debts of any type that may arise on account of each of our respective activities, or those of each of our respective employees or agents, in the performance of these Terms. Neither you nor Clear Ideas has the authority to commit the other of us in any way and will not attempt to do so or imply that it has the right to do so.

9.2 You and Clear Ideas acknowledge and agree that the provision of or cessation of all or part of the Services at any time and any arrangements contemplated by this Agreement are not intended to constitute a relevant transfer for the purposes of the TUPE Regulations and or the European Communities (Protection of Employees on Transfer of Undertakings) Regulations 2003.

9.3 You and Clear Ideas agree that for the period of this agreement and for 12 calendar months following its termination it will not directly or indirectly induce or attempt to induce any employee of the other party who has been involved with this agreement to leave the employment of the other party. This does not prohibit the employment of any person recruited through an employment agency, if neither party nor any person connected with them has encouraged that agency to approach the relevant individual nor the placing of a public advertisement for a post available to members of the public generally or the employment of any person who answers such an advertisement. Clear Ideas estimates the impact of a breach of this Section 9.3 would be one times the current gross annual salary of the personnel concerned. You accept that this is a reasonable estimate of the loss and agree to pay the same upon demand in the event of a breach. You may demand, and Clear Ideas may pay similar damages in the event of a breach by Clear Ideas. Nothing in this Section 9.3 shall prejudice the right of the non-breaching party to seek injunctive relief.

## 10. Fees, Payment Terms, Taxes

10.1 Fees. You agree to pay fees in accordance with the rates listed on Our Site unless otherwise set forth in an order form or order confirmation between the parties (an "*Order Form*").

Additionally, we will charge you, and you shall pay, in accordance with Section 10.3, any and all additional costs, fines, or penalties we incur from a governmental or regulatory body or telecommunication provider as a result of your use of the Services.

We also reserve the right to pass on any fees, surcharges or other fees incurred by Clear Ideas as a result of Malformed or Missing Caller IDs provisioned by you (in the case of Wholesale Access Services and/or P-Asserted-Identity headers).

10.2 Taxes. Unless otherwise stated in an Order Form, you shall be responsible for and shall pay all taxes imposed on or with respect to the Services that are the subject of this Agreement. For purposes of this

Section 10.2, taxes do not include any taxes that are imposed on or measured by our net income, property tax, or payroll taxes. If you are exempt from any such taxes for any reason, we will exempt you from such taxes on a going-forward basis once you deliver a duly executed and dated valid exemption certificate to our tax department and our tax department has approved such exemption certificate. Such exemptions should be sent directly to [support@clearconnections.ie](mailto:support@clearconnections.ie). If you are exempt from VAT or GST, then it is your responsibility to provide your VAT or GST registration number to us. If you provide us an exemption certificate or your VAT or GST number after you have paid Taxes, then we will provide, upon your written request, a credit to your customer account for taxes previously paid for up to a period of three (3) months from the date of receipt of your written request. If for any reason a taxing jurisdiction determines that you are not exempt from any such exempted taxes and then assesses us, such taxes, you agree to promptly pay to us such taxes, plus any applicable interest or penalties assessed.

Should you be required by applicable law to withhold any tax from any payment owed to us, then you shall provide us with an exemption certificate or similar document to reduce or eliminate any such withholding. Upon receipt of such certificate or document, you shall thereafter reduce or eliminate, as the case may be, such withholding. You shall provide us with documents evidencing your payment of any such withheld tax to applicable tax authorities.

10.3 Payment Terms. You will make all of the payments due hereunder in accordance with the following applicable payment method:

10.3.1 Credit Card Payment Terms. If you elect to pay via credit card, then you are responsible for either (a) enabling auto-recharge on your customer account(s) or (b) ensuring that your customer account(s) has a sufficient positive balance to cover all fees due. If, for any reason, you have a negative balance on your customer account(s), then we reserve the right to suspend the Services.

10.3.2 Direct Debit Invoicing Payment Terms. If you elect to pay via direct debit, receive invoices and we approve you for the same, then invoices will be sent to you via email as a PDF on a monthly basis. Payment will be requested via the direct debit mandate and payment collected on all of the undisputed fees hereunder within fourteen (14) days of the date of the invoice. Unless you and Clear Ideas agree otherwise in writing, all undisputed fees due pursuant to these Terms are payable in Euro, unless otherwise agreed to between the parties in writing. Payment for Professional Services and any Capital Expenditure items will be required in full in advance of provision. Any variation to these terms will be shown on the Order Form. Payment for regular recurring fees will be required monthly in advance. Payment for consumption-based costs will be required monthly in arrears. Payment obligations cannot be cancelled, and fees paid are non-refundable. If you are overdue on any payment of undisputed fees and fail to pay within ten (10) business days of a written notice of your overdue payment, then we may assess, and you must pay a late fee. The late fee will be either 1.5% of the overdue balance per month in arrears, or the maximum amount allowable by applicable law, whichever is less. Following the notice of non-payment, we may also suspend the Services until you pay the undisputed fees due plus any late fees.

10.3.3 Suspension for Non-Payment. If we suspend the Services pursuant to this Section 10.3, then we will have no liability for any damage, liabilities, losses (including any loss of data or profits) or any other consequences that you may incur in connection with any such suspension.

10.4 Fee Disputes. If you are disputing any fees or Taxes, you must act reasonably and in good faith and you must cooperate diligently with Clear Ideas to resolve the dispute. You must notify us in writing if you dispute any portion of any fees paid or payable by you pursuant to these Terms. You must provide that written notice to us within sixty (60) days of the date we bill you for the charge you want to dispute, and we will work together with you to resolve the dispute promptly.

## 11. Ownership and Confidentiality

11.4.2 Use and Disclosure. The Receiving Party will use the same degree of care that it uses to protect the confidentiality of its own confidential information of like kind (but not less than reasonable care) to (i) not use any Confidential Information of the Disclosing Party for any purpose outside the scope of this Agreement and (ii) except as otherwise authorised by the Disclosing Party in writing, limit access to Confidential Information of the Disclosing Party to those of its and its affiliates employees and contractors who need that access for the purposes of this Agreement and who are legally bound to keep such information confidential consistent with the terms of this Section 11. Each party may disclose the terms of any Order Form or other purchase of Services to its affiliates, legal counsel, and accountants without the other's prior written consent and will remain responsible for its affiliate's, legal counsel's, or accountant's compliance with this Section 11 (Confidentiality). Notwithstanding the foregoing, (x) Each party may disclose the terms of this Agreement and any applicable purchase transaction to a

subcontractor to the extent necessary to perform its obligations under this Agreement, and (y) Clear Ideas may use and disclose your Confidential Information as necessary to provide the Services, subject to the Data Processing Agreement and in each case of (x) and (y) under terms of confidentiality materially as protective as set forth herein. The Customer may disclose such information pursuant to any disclosure process, procedure or obligation required within the jurisdiction within which the Customer operates, inclusive of any listing rules of any securities exchange on which the capital stock of the Customer and/or any of its Affiliates may be listed from time to time.

11.4.3 Compelled Disclosure. Either party may disclose the other's Confidential Information if so required, pursuant to a regulation, law, or court order. The relevant party will give the other notice of the compelled disclosure (to the extent legally permitted). Each party will cover the other's reasonable legal fees for preparation of witnesses, deposition/affidavits, and testimony to the extent such compelled disclosure is in connection with a lawsuit or legal proceeding to which the other is a party or to the extent fees are incurred in connection with reasonable assistance provided in connection with efforts to contest disclosure.

11.5 Injunctive Relief. The parties expressly acknowledge and agree that no adequate remedy may exist at law for an actual or threatened breach of this Section 11 and that, in the event of an actual or threatened breach of the provisions of this Section 11, the non-breaching party will be entitled to seek immediate injunctive and other equitable relief, without waiving any other rights or remedies available to it.

awarded against Clear Ideas as a result of, or for amounts paid by Clear Ideas to settle a Customer Indemnifiable Claim under a settlement for which you have given your written approval.

13.5 Conditions of Indemnification. As a condition of the foregoing indemnification obligations: (a) the indemnified party ("*Indemnified Party*") will promptly notify the indemnifying party ("*Indemnifying Party*") of any Infringement Claim or Customer Indemnifiable Claim, as applicable (collectively referred to as a "Claim"), provided, however, that the failure to give such prompt notice shall not relieve the Indemnifying Party of its obligations hereunder except to the extent that the Indemnifying Party was actually and materially prejudiced by such failure; (b) the Indemnifying Party will have the sole and exclusive authority to defend or settle any such Claim (provided that, the Indemnifying Party will obtain the Indemnified Party's consent in connection with any act or forbearance required by the Indemnified Party, which consent will not be unreasonably withheld); and (c) the Indemnified Party will reasonably cooperate with the Indemnifying Party in connection with the Indemnifying Party's activities hereunder, at the Indemnifying Party's expense. The Indemnified Party reserves the right, at its own expense, to participate in the defence of a Claim. Notwithstanding anything herein to the contrary, the Indemnifying Party will not settle any Claims for which it has an obligation to indemnify pursuant to this Section 13 admitting liability or fault on behalf of the Indemnified Party, nor create any obligation on behalf of the Indemnified Party without the Indemnified Party's prior written consent.

## 14. Limitation of Liability; Emergency Services

14.1 Indirect consequential and related damages: In no event will either party or its affiliates have any liability arising out of or related to this agreement for any revenues, goodwill, or indirect, special, incidental, consequential, cover, business interruption or punitive damages, whether an action is in contract or tort and regardless of the theory of liability, even if a party or its affiliates have been advised of the possibility of such damages or if a party's or its affiliates' remedy otherwise fails of its essential purpose. The foregoing disclaimer will not apply to the extent prohibited by law.

14.2 Limitation of Liability. Except for amounts payable under a party's indemnification obligations under Section 4 (data protection) and 13 (mutual indemnification) of these terms, in no event will the aggregate liability of each party arising out of or related to these terms exceed €50,000 or the amounts paid or payable by Customer hereunder for the services giving rise to the liability during the twelve (12) month period preceding the first incident out of which the liability arose. The foregoing limitation will apply whether an action is in contract or tort, and regardless of the theory of liability, but will not limit your payment obligations under Section 10 (fees, payment terms, taxes) above.

14.3 Emergency services disclaimer. Neither Clear Ideas nor its representatives will be liable under any legal or equitable theory for any claim, damage, or loss (and customer will hold Clear Ideas harmless against any and all such claims) arising from or relating to the inability to use the services to contact emergency services, as defined in Section 5.2(b) above. Clear Ideas outbound communications services should not be used for contacting emergency services unless the Service is expressly approved for this purpose and you and Clear Ideas have entered an Emergency Services Addendum in connection with your use of the approved product.

14.4 In relation to the limitation of liability: Nothing in this Agreement shall exclude or limit the liability of either party for (i) gross negligence or intentional misconduct of such party, (ii) death or personal

injury caused by that party's negligence or (iii) fraud or fraudulent misrepresentation or (iv) any other liability to the extent that the same may not be excluded or limited as a matter of applicable law. Should Clear Ideas be required to update these Terms and Conditions as a result of changes in the law or requirements from telecommunications providers, it shall provide you with 30 days prior written notice of the same, or such period as it is reasonably able to do and where you reject such changes, you will be able to terminate these Terms and Conditions immediately without incurring any liability.

The provisions of this Section 14 allocate the risks pursuant to these terms between the parties, and the parties have relied on the limitations set forth herein in determining whether to enter into these terms.

## 15. Term; Termination

15.1 Term. These Terms will commence on the date you accept them and continue until terminated in accordance with Section 15.2 (Termination) below ("*Term*").

15.2 Termination. Either party may terminate these Terms and close your customer account(s) for any reason upon ninety (90) days' written notice to the other party. Notwithstanding the preceding sentence, if there is an Order Form(s) in effect, these Terms will not terminate until such Order Form(s) have expired or been terminated. Where an Order Form states a "Secondary Period", ninety (90) days' written notice must be provided prior to the expiry of the Primary Period or anniversary of the Secondary Period in order to terminate the contract. Clear Ideas, at its sole discretion, may terminate these Terms and close your customer account(s) in the event you commit any material breach of these Terms and fail to remedy that breach within five (5) business days after Clear Ideas provides written notice of that breach to you. You may also terminate these Terms if we commit a material breach of these Terms and fail to remedy that breach within five (5) days after providing written notice of that breach to us.

## 16. Survival

Upon termination of these Terms, your payment obligations, the terms of this Section 16, and the terms of the following Sections will survive (i.e., still apply): Section 4 (Customer Data), Section 10 (Fees, Payment Terms, Taxes), Section 11 (Ownership and Confidentiality), Section 13 (Mutual Indemnification), Section 14 (Limitation of Liability; Emergency Services), and Section 17 (General).

## 17. General

17.1 Compliance with Laws. Both parties will comply with the applicable law relating to your respective activities pursuant to these Terms. Clear Ideas will provide the Services per laws applicable to Clear Ideas provision of the Services as set out in Section 3.1, and subject to Customer's use of the Services in accordance with this Agreement, the Documentation, and applicable Order Form (if any).

17.2 No Waiver, Order of Precedence. Either party's failure to enforce at any time any provision of these Terms, our Acceptable Use Policy, or any other of the other party's obligations does not waive such party's right to do so later. And, if such party does expressly waive any provision of these Terms, our Acceptable Use Policy, or any of either party's other obligations, that does not mean it is waived for all time in the future. Any waiver must be in writing and signed by you and us to be legally binding. In the

event of any conflict or inconsistency among the following documents, the order of precedence shall be (except as otherwise expressly set forth in an applicable Order Form): (1) product-specific terms set out in the Order Form, (2) the Terms and Conditions and (3) the Documentation.

**17.3 Assignment.** The Customer will not assign or otherwise transfer these Terms, in whole or in part, without our prior written consent. The parties may, however (without the further prior written consent of the other), assign any of its rights under this Agreement (including any right of action against each other) to any of their Affiliates. Further, the parties shall not unreasonably refuse any request from the other to novate this Agreement to an Affiliate. Any attempt to assign, delegate, or transfer these Terms other than as provided for in this Agreement will be void. Subject to this Section 17.3, these Terms will be binding on both you and Clear Ideas and each of our successors and assigns. Nothing in this agreement prevents Clear Ideas from transferring its interest, benefit, rights, or responsibilities under this agreement to a third party.

**17.4 Severability.** If any provision of these Terms is held by a court or other tribunal of competent jurisdiction to be unenforceable, that provision will be limited or eliminated to the minimum extent necessary to make it enforceable and, in any event, the rest of these Terms will continue in full force and effect.

**17.5 Notices.** Any notice required or permitted to be given hereunder will be given in writing to the party at the address specified in this Agreement by personal delivery, certified mail, return receipt requested, overnight delivery by a nationally recognised carrier or by email. Billing-related notices to Customer will be addressed to the relevant billing contact designated by Customer in its account.

**17.6 Force Majeure.** No failure, delay or default in performance of any obligation of a party shall constitute an event of default or breach of these Terms to the extent that such failure to perform, delay, or default arises out of a cause, existing or future, that is beyond the control and without negligence of such party, including action or inaction of governmental, civil or military authority; fire; strike, lockout or other labour dispute; flood, terrorist act; war; riot; theft; pandemic; earthquake and other natural disaster. The party affected by such cause shall take all reasonable actions to minimise the consequences of any such cause.

**17.7 Government Terms.** We provide the Services, including related software and technology, for government end use in accordance with these Terms. If you (or any of your End Users) are an agency, department, or other entity of any government, the use, duplication, reproduction, release, modification, disclosure, or transfer of the Services or any related documentation of any kind, including technical data, software, and manuals, is restricted by these Terms. All other use is prohibited, and no rights other than those provided in these Terms are conferred.

**17.8 Amendments.** Any and all amendments to This Agreement will be in the form of an addendum to the agreement, stating the Section and Sub-Section to be amended and the agreed replacement wording. The addendum must be signed and dated by appointed representatives of both parties, and reference to all addenda will be added to the signature page of this agreement.

**17.9 Governing Law.** This Agreement shall be governed by and construed in accordance with Irish Law. In relation to any legal action or proceedings to enforce this Agreement or arising out of or relating to

this Agreement ("proceedings"), each of the parties irrevocably submits to the exclusive jurisdiction of Ireland and the Irish courts and waives any objection to proceedings in such courts on the grounds of venue or in the grounds that the proceedings have been brought in an inconvenient forum.

17.10 Entire Agreement. Except as provided in these Terms and any exhibits or addenda or other terms incorporated by reference into these Terms, these Terms supersede all prior and contemporaneous proposals, statements, sales materials or presentations and agreements, oral and written. No oral or written information or advice given by Clear Ideas, its agents or employees will create a warranty or in any way increase the scope of the warranties or obligations under these Terms. Any purchase order document or similar document provided by you shall be construed solely as evidence of your internal business processes. The terms and conditions contained thereon shall be void and have no effect with regard to these Terms between you and Clear Ideas and be non-binding against Clear Ideas even if signed by Clear Ideas after the date you accept these Terms.

"Standard Contractual Clauses" means the contractual clauses set out in Schedule A as amended as indicated (in square brackets and italics) in that schedule and under the Agreement.

1.3 References in this Data Processing Agreement to any terms defined in the Data Protection Laws (including without limitation Data Controller, Data-Processor, personal data breach and Sub-Processor) have the meanings as defined in the Act and currently meeting EU adequacy provisions to EU Data Protection Laws.

## 2. Processing of Personal Data, scope, and purpose

2.1 Supplier shall, at all times, comply with Data Protection Laws in the processing of Personal Data for the purposes of provision of Services and not process Personal Data other than on the Company's documented written instructions unless processing is required by applicable laws to which Supplier is subject, in which case Supplier shall to the extent permitted by applicable laws inform the Company of that legal requirement before the relevant processing of that Personal Data. For clarity, any documented instructions from the Company Affiliate who has provided those specific instructions shall be deemed for the purpose of this Data Processing Agreement the Company Affiliates' written instructions and will only apply to that specific Company Affiliate.

2.2 Company instructs Supplier to process Personal Data as reasonably necessary for the provision of Services and consistent with the Agreement. The processing activities will involve:

**Categories of Personal Data:** Personal Data may include, among other information:

- (a) personal information such as title, name, address, telephone or mobile number, email address, and business contact details;
- (b) information concerning health, family, lifestyle, and social circumstances, including age, date of birth, nationality, marital status, and dependents;
- (c) financial information such as national insurance number, tax code, and bank account details.

**Categories of Data Subjects:** Data subjects include the Company's customers, and any other identifiable person whose Personal Data is being processed.

2.3 During the term of the Agreement, the Company may provide written instructions to Supplier in addition to those specified in the Agreement with regard to the processing of Personal Data. Supplier shall comply with all such instructions without additional charge to the extent necessary for Supplier to comply with Data Protection Laws as a data processor.

2.4 Collection. Supplier shall only collect, store, transmit, disclose, process, destroy, or otherwise use any Personal Data in accordance with the Company's instruction and never in a manner that contravenes Data Protection Laws or fails to meet the requirements set forth in this Data Processing Agreement. Supplier shall not distribute, sell, license, lease, transfer, or otherwise convey Personal Data for Supplier's own purposes or for the benefit of any other party other than Company without Company's prior written consent.

2.5 Collection.

(a) To the extent that Supplier collects Personal Data on Company's behalf, Supplier shall only collect that Personal Data necessary to perform Services under the Agreement or to otherwise fulfil Company's instructions on collection.

(b) Supplier shall notify Company about the methods of operation and data collection capabilities for any cookie, JavaScript, pixel, beacon, statistical ID, probabilistic ID, UIDI, similar tracking mechanisms, or other method of monitoring a user or device across web and/or app locations or properties (Tracking Technologies) Supplier intends to use and shall not use Tracking Technologies without Company's prior written consent. Supplier shall never use Tracking Technologies that: (i) use Flash local shared objects; (ii) fail to provide users with an opportunity to control the use of such Tracking Technologies; (iii) are deployed on behalf of other parties (so-called "fourth party" tracking or "piggybacking"); or (iv) circumvent user preferences as designated in Web browser privacy controls.

2.6 Data location. Unless otherwise agreed upon by the parties in writing, Supplier shall use Personal Data only in (i) the jurisdiction where the data subject resides or (ii) the European Union if the data subject resides anywhere within the European Union. Supplier shall obtain Company's written consent before transferring Personal Data from the EU to a country outside the EU. As at the date of this Agreement, the Parties acknowledge that the Supplier shall process Personal Data in the EU and (where necessary for business continuity) US jurisdictions, and the parties shall comply with the provisions of clause 12 regarding such processing.

2.7 Data Flow Diagram. Appendix 3 contains the Data Flow Diagram. No changes will be made to the Service as represented in the Data Flow Diagram, without the written consent of both parties.

3. Confidentiality

3.1 Supplier shall keep all Personal Data confidential and only disclose such information strictly to its employees on a need-to-know basis in relation to its processing activities under this Data Processing Agreement.

3.2 Supplier shall take reasonable steps to ensure the reliability of any employee who may have access to the Personal Data, ensuring in each case that access is strictly limited to those individuals who need to know or access the relevant Personal Data, as strictly necessary for the purposes of the Agreement, and to comply with Data Protection Laws in the context of that individual's duties to Supplier, ensuring that all such individuals are subject to confidentiality undertakings or professional or statutory obligations of confidentiality.

4. Subprocessing

(a) Supplier shall not sub-contract any of its obligations to a sub-data processor without the Customer's prior written consent. Where the Customer gives its written consent to the Supplier to engage a sub-contractor to carry out any part of the Services involving the Processing of Personal Data, the Supplier must include in any contract with the third-party provisions which are equivalent to those in this Data Processing Agreement and as are required by Data Protection Laws. To avoid doubt, where a third party fails to fulfil its obligations under any sub-processing agreement or any Data Protection Laws, the Supplier will remain fully liable to the Customer for fulfilling the Supplier's obligations under these terms.

(b) If any of the Sub-processors appointed by Supplier and approved by Customer are located outside the EU, then the Supplier shall enter into the Controller-to-Processor Standard Contractual Clauses set out in Schedule A to this Data Processing Agreement with such Sub-processor(s) with Supplier as the "data exporter" in Customer's name and on its behalf and the Subprocessor as the "data importer." The Supplier will make the executed Controller-to-Processor Standard Contractual Clauses available to Customer promptly on the Customer's request.

(c) In respect of any data transfers under this clause 4 which rely on the controller to processor standard contractual clauses to enable the lawful transfer of Customer Personal Data, the parties agree that Data Subjects for whom a Supplier entity or a third-party Subprocessor processes Customer Personal Data are third-party beneficiaries under the Standard Contractual Clauses.

## 5. Data subject rights

Supplier shall put in place all appropriate technical and organisational measures to enable Company to comply with its obligations to respond to requests from data subjects to exercise their rights in respect of Personal Data, including but not limited to the right to access the Personal Data processed by Supplier and to request the rectification of inaccurate Personal Data. Supplier shall not respond to any such request from a data subject without receiving the prior written consent of Company.

## 6. Personal data breach

6.1 Supplier shall notify Company without undue delay upon Supplier or any Subprocessor (as the case may be) becoming aware of a personal data breach affecting Personal Data, providing Company with sufficient information to allow Company to meet any obligations to report or inform data subjects of the personal data breach under the Data Protection Laws. Such notification shall, as a minimum:

- (a) describe the nature of the personal data breach, the categories and numbers of data subjects concerned, and the categories and numbers of personal data records concerned.
- (b) communicate the name and contact details of Supplier's data protection officer or other relevant contact from whom more information may be obtained.
- (c) describe the likely consequences of the personal data breach and
- (d) describe the measures taken or proposed to be taken to address the personal data breach.

6.2 Supplier shall cooperate with Company and take such reasonable steps as are directed by Company to assist in the investigation, mitigation, and remediation of each such personal data breach.

## 7. Data protection impact assessment and prior consultation

Consistent with the size and complexity of its organisation, Supplier shall maintain its own privacy process that manages its handling of personal information and includes a documented data breach response. Supplier will appoint (or have appointed) a leader to oversee this privacy process. Where necessary, Supplier shall assist Company in completing privacy impact assessments and in consultations with the relevant supervisory authorities.

## 8. Data processor and data controller

Supplier shall fully comply with all applicable governmental, legal, regulatory, and professional requirements relating to privacy, including Data Protection Laws. For the purposes of Data Protection Laws, Supplier is considered a data processor in relation to the Personal Data it accesses under the Agreement and the Company is the data controller.

## 9. Information security

9.1 Supplier shall implement and maintain compliance with appropriate technical and organisational security measures (including the measures set out below) to process and protect Personal Data.

9.2 Compliance with industry standards. Supplier shall use organisational, administrative, physical, and technical policies, standards, and controls to protect Personal Data against the unauthorised or unlawful processing and against accidental loss or destruction of, or damage to, Personal Data. All Personal Data shall be encrypted when in transit and at rest consistent with accepted industry encryption standards.

9.5 Web-enabled applications. All Internet-facing websites accessed by Company employees must have industry standard tuned Web Application Firewall (WAF) and must be scanned and remediated using accepted industry standards for security vulnerabilities (e.g., Open Web Application Security Project and Open Web Application Security Project Top 10). Scans and remediation must first be completed prior to application launch. Post-launch, Company shall conduct scans at a frequency appropriate for the relevant application, technology, and data risk. Websites shall implement and maintain accepted industry standard account and password management controls, including:

- (a) lockout after no more than ten unsuccessful login attempts.

9.7 Hosted systems. Supplier shall notify Company in writing when it hosts Personal Data in a shared or cloud environment. Supplier shall protect (or, if applicable, cause its Sub-processor to protect) the Personal Data in this cloud environment using controls consistent with accepted industry standards (e.g., Cloud Security Alliance Cloud Controls Matrix). Supplier shall collaborate in good faith to identify an alternative to such hosting should Company so request.

9.8 Records and continuity. Supplier shall maintain a records retention process and a business continuity plan for all Personal Data in its control or custody.

9.9 Disposal. Supplier shall destroy Personal Data using a secure means of disposal (e.g., incineration or cross-cut shredding) when such data is no longer required (either for the supply of Software and provision of services or to be retained by law). Hardware containing Personal Data must be physically destroyed or securely overwritten prior to disposal or use for another purpose.

9.10 Device management. Supplier shall use only securely configured, corporate-owned devices (i.e., non-BYOD or hybrid or work personal use devices) to connect Company networks and systems or to access or store Personal Data.

## 10. Deletion or return of Personal Data

10.1 On expiration or termination of the Agreement, Supplier shall promptly and in any event within 30 days of the date of termination or expiration:

- (a) return a complete copy of all Personal Data to Company or a third party nominated by Company by secure file transfer in such format as is reasonably notified by Company to Supplier; and
- (b) delete and procure the deletion of all other copies of Personal Data.

Supplier may retain Personal Data to the extent required by Data Protection Laws and only to the extent and for such period as required by such Data Protection Laws and always provided that Supplier shall ensure the confidentiality of all such Personal Data and shall ensure that such data is only processed as necessary for the purposes specified in the Data Protection Laws requiring its storage and for no other purpose.

10.2 Supplier shall provide written certification to Company that it has fully complied with this clause 10 within five days of the date of deletion.

## 11. Audit rights

11.1 Supplier shall make available to Company on request all information necessary to demonstrate compliance with this Data Processing Agreement and shall allow for and contribute to audits, including

inspections, by Company or an auditor appointed by Company in relation to the processing of Personal Data by Supplier.

11.2 Information and audit rights of Company only arise under clause 11.1 to the extent that the Agreement does not otherwise give them information and audit rights meeting the relevant requirements of Data Protection Law (including, where applicable, article 23 of the GDPR).

## 12. Restricted Transfers

12.1 Company (as "data exporter") and Supplier (as "data importer") hereby enter into the Standard Contractual Clauses in respect of any Restricted Transfer from Company to Supplier.

12.2 The Standard Contractual Clauses shall come into effect under clause 12.1 on the later of:

- (a) the data exporter becoming a party to them.
- (b) the data importer becoming a party to them, and
- (c) commencement of the relevant Restricted Transfer.

12.3 Clause 12.1 shall not apply to a Restricted Transfer unless its effect, together with other reasonably practicable compliance steps (which, for the avoidance of doubt, do not include obtaining consents from data subjects), is to allow the relevant Restricted Transfer to take place without breach of applicable EU Data Protection Laws

## 13. General terms

13.1 Duration. This Data Processing Agreement shall remain in force for so long as Supplier has Personal Data in its control or custody.

13.2 Order of precedence. This Data Processing Agreement is subject to the terms of the Agreement. In the event of any conflict between the terms of the Agreement and the terms of this Data Processing Agreement, the terms of the Data Processing Agreement shall prevail.

- 4.2 that it has instructed and throughout the duration of the personal data processing services will instruct the data importer to process the personal data transferred only on the data exporter's behalf and in accordance with the applicable data protection law and the Clauses.
- 4.3 that the data importer will provide sufficient guarantees in respect of the technical and organisational security measures specified in Appendix 2 to this contract.
- 4.4 that after assessment of the requirements of the applicable data protection law, the security measures are appropriate to protect personal data against accidental or unlawful destruction or accidental loss, alteration, unauthorised disclosure or access, in particular where the processing involves the transmission of data over a network, and against all other unlawful forms of processing, and that these measures ensure a level of security appropriate to the risks presented by the processing and the nature of the data to be protected having regard to the state of the art and the cost of their implementation;
- 4.5 that it will ensure compliance with the security measures.
- 4.6 that, if the transfer involves special categories of data, the data subject has been informed or will be informed before, or as soon as possible after, the transfer that its data could be transmitted to a third country not covered by section 97 of the Data Protection Act 2018.
- 4.7 to forward any notification received from the data importer or any Subprocessor pursuant to Clause 5(b) and Clause 8(3) to the data protection supervisory authority if the data exporter decides to continue the transfer or to lift the suspension.
- 4.8 to make available to the data subjects upon request a copy of the Clauses, with the exception of Appendix 2, and a summary description of the security measures, as well as a copy of any contract for Sub processing services which has to be made in accordance with the Clauses, unless the Clauses or the contract contain commercial information, in which case it may remove such commercial information;
- 4.9 that, in the event of Sub processing, the processing activity is carried out in accordance with clause 11 by a Subprocessor providing at least the same level of protection for the personal data and the rights of data subject as the data importer under the Clauses and
- 4.10 that it will ensure compliance with Clauses 4.1 to 4.9.

## 5 Obligations of the data importer

The data importer agrees and warrants:

- 5.1 to process the personal data only on behalf of the data exporter and in compliance with its instructions and the Clauses; if it cannot provide such compliance for whatever reasons, it agrees to inform promptly the data exporter of its inability to comply in which case the data exporter is entitled to suspend the transfer of data and/or terminate the contract.
- 5.2 that it has no reason to believe that the legislation applicable to it prevents it from fulfilling the instructions received from the data exporter and its obligations under the contract and that in the event of a change in this legislation which is likely to have a substantial adverse effect on the warranties and obligations provided by the Clauses, it will promptly notify the change to the data exporter as soon as it is aware, in which case the data exporter is entitled to suspend the transfer of data and/or terminate the contract;
- 5.3 that it has implemented the technical and organisational security measures specified in Appendix 2 before processing the personal data transferred.
- 5.4 that it will promptly notify the data exporter about:
  - (i) any legally binding request for disclosure of personal data by a law enforcement authority unless otherwise prohibited, such as a prohibition under criminal law to preserve the confidentiality of a law enforcement investigation,
  - (ii) any accidental or unauthorised access, and
  - (iii) any request received directly from the data subjects without responding to that request unless it has been otherwise authorised to do so.
- 5.5 to deal promptly and properly with all inquiries from the data exporter relating to its processing of personal data subject to the transfer and to abide by the advice of the supervisory authority with regard to the processing of the data transferred.
- 5.6 at the request of the data exporter to submit its data processing facilities for audit of the processing activities covered by the Clauses which the data exporter shall carry out, or an inspection body composed of independent members and in possession of the required professional qualifications bound by a duty of confidentiality, selected by the data exporter, where applicable, in agreement with the supervisory authority.
- 5.7 to make available to the data subject upon request a copy of the Clauses or any existing contract for Sub processing, unless the Clauses or contract contain commercial information, in which case it may remove such commercial information, with the exception of Appendix 2, which shall be replaced by a summary description of the security measures in those cases where the data subject is unable to obtain a copy from the data exporter;
- 5.8 that, in the event of sub-processing, it has previously informed the data exporter and obtained its prior written consent.

- 5.9 that the processing services by the Subprocessor will be carried out in accordance with Clause 11.
- 5.10 to send promptly a copy of any Subprocessor agreement it concludes under the Clauses to the data exporter.

## **6 Liability**

- 6.1 The parties agree that any data subject who has suffered damage due to any breach of the obligations referred to in Clause 3 or Clause 11 by any party or sub-processor is entitled to receive compensation from the data exporter for the damage suffered.
- 6.2 If a data subject is not able to bring a claim for compensation in accordance with paragraph 1 against the data exporter, arising out of a breach by the data importer or his Subprocessor of any of their obligations referred to in Clause 3 or Clause 11, because the data exporter has factually disappeared or ceased to exist in law or has become insolvent, the data importer agrees that the data subject may issue a claim against the data importer as if it were the data exporter unless any successor entity has assumed the entire legal obligations of the data exporter by contract or by operation of law, in which case the data subject can enforce its rights against such entity.
- 6.3 The data importer may not rely on a breach of its obligations by a subprocessor in order to avoid its own liabilities.
- 6.4 If a data subject is not able to bring a claim against the data exporter or the data importer referred to in paragraphs 1 and 2 arising out of a breach by the Subprocessor of any of their obligations referred to in Clause 3 or in Clause 11 because both the data exporter and the data importer have factually disappeared or ceased to exist in law or have become insolvent, the Subprocessor agrees that the data subject may issue a claim against the data Subprocessor with regard to its own processing operations under the Clauses as if it were the data exporter or the data importer unless any successor entity has assumed the entire legal obligations of the data exporter or data importer by contract or by operation of law, in which case the data subject can enforce its rights against such entity. The liability of the Subprocessor shall be limited to its own processing operations under the Clauses.

## **7 Mediation and jurisdiction**

- 7.1 The data importer agrees that if the data subject invokes third-party beneficiary rights and/or claims compensation for damages under the Clauses, the data importer will accept the decision of the data subject:
- (a) to refer the dispute to mediation by an independent person or, where applicable, by the Data Protection Commission.
  - (b) to refer the dispute to the Irish courts.
- 7.2 The parties agree that the choice made by the data subject will not prejudice its substantive or procedural rights to seek remedies in accordance with other provisions of national or international law.

## **8 Cooperation with supervisory authorities**

- 8.1 The data exporter agrees to deposit a copy of this contract with the supervisory authority if it so requests or if such deposit is required under the applicable data protection law.
- 8.2 The parties agree that the supervisory authority has the right to conduct an audit of the data importer and any Subprocessor, which has the same scope and is subject to the same conditions as would apply to an audit of the data exporter under the applicable data protection law.
- 8.3 The data importer shall promptly inform the data exporter about the existence of legislation applicable to it or any Subprocessor preventing the conduct of an audit of the data importer or any Subprocessor, pursuant to paragraph 2. In such a case, the data exporter shall be entitled to take the measures foreseen in Clause 5 (b).

## **9 Governing law**

The Clauses shall be governed by the laws of Ireland.

## **10 Variations of the contract**

The parties undertake not to vary or modify the Clauses. This does not preclude the parties from (i) making changes permitted by the GDPR and or the Data Protection Act 2018, or (ii) adding clauses on business-related issues where required as long as they do not contradict the Clause.

## **11 Sub processing**

- 11.1 The data importer shall not subcontract any of its processing operations performed on behalf of the data exporter under the Clauses without the prior written consent of the data exporter. Where the data importer subcontracts its obligations under the Clauses, with the consent of the data exporter, it shall do so only by way of a written agreement with the Subprocessor which imposes the same obligations on the Subprocessor as are imposed on the data importer under the Clauses. Where the Subprocessor fails to fulfil its data protection obligations under such written agreement the data importer shall remain fully liable to the data exporter for the performance of the Subprocessor's obligations under such agreement.
- 11.2 The prior written contract between the data importer and the Subprocessor shall also provide for a third-party beneficiary clause as laid down in Clause 3 for cases where the data subject is not able to bring the claim for compensation referred to in paragraph 1 of Clause 6 against the data exporter or the data importer because they have factually disappeared or have ceased to exist in law or have become insolvent and no successor entity has assumed the entire legal obligations of the data exporter or data importer by contract or by operation of law. Such third-party liability of the Subprocessor shall be limited to its own processing operations under the Clauses.
- 11.3 The provisions relating to data protection aspects for sub processing of the contract referred to in paragraph 1 shall be governed by the laws of the country where the exporter is registered.
- 11.4 The data exporter shall keep a list of sub processing agreements concluded under the Clauses and notified by the data importer pursuant to Clause 5.10 which shall be updated at least once a year. The list shall be available to the Data Protection Commission.

## **12 Obligation after the termination of personal data processing services**

- 12.1 The parties agree that on the termination of the provision of data processing services, the data importer and the Subprocessor shall, at the choice of the data exporter, return all the personal data transferred and the copies thereof to the data exporter or shall destroy all the personal data and certify to the data exporter that it has done so, unless legislation imposed upon the data importer prevents it from returning or destroying all or part of the personal data transferred. In that case, the data importer warrants that it will guarantee the confidentiality of the personal data transferred and will not actively process the personal data transferred anymore.
- 12.2 The data importer and the Subprocessor warrant that upon request of the data exporter and/or the Data Protection Commission, it will submit its data processing facilities for an audit of the measures referred to in paragraph 1.

#### 4. Service Availability and Service Credits

4.1 Clear Ideas Limited warrants that the Services will (excluding any period of Force Majeure and Maintenance) have an Uptime Percentage (as defined below) of not less than 99.99% of every calendar month. The Uptime Percentage will be calculated in accordance with the following formula:

$$U\% = \frac{S-D}{S} \times 100$$

where: "U%" = Uptime Percentage.

"S" = the number of hours in a relevant calendar month.

"D" = the number of hours in the relevant calendar month during which the Services were down and not available to the Company (excluding any period of Force Majeure and Maintenance or Effective Work-Around)

4.2 If the warranty in this paragraph is breached in any calendar month during the term of the Agreement, Clear Ideas Limited agrees by way of liquidated damages to pay an amount equal to the percentage reduction in the Period Service Fee calculated in accordance with Clause 5.3 and Clause 5.4 within 21 days of notification.

4.3 The reduction in the preceding sub-paragraph will be calculated in accordance with the following table:

<b>Services availability during the relevant calendar month</b>	<b>Reduction in Service Fee (for month)</b>
Where U% is greater than 99% but less than 99.95%	10%
Where U% is greater than 97% and less than or equal to 99%	20%
Where U% is greater than 95% and less than or equal to 97%	30%
Where U% is less than or equal to 95%	40%

4.4 Clear Ideas Limited shall not be responsible for failure or delay in providing the Services if arising from one or more of the following reasons:

(a) You are in material breach of its obligations under this Agreement; or

(b) Your system administrator(s) being unavailable when reasonably required by Us to assist in the rectification of the Urgent fault or material period of downtime.

(c) unreasonable delay by You in notifying a failure to Us or in submitting instructions unless Clear Ideas Limited was aware of the Urgent fault or material period of downtime or ought reasonably to have been aware of it.

4.5 Maintenance to the Services for the purpose of, without limitation, performing server maintenance, security, or emergency works, together with interruptions to access them due to Force Majeure, shall not constitute downtime. Clear Ideas Limited shall use all reasonable endeavours to perform such works outside of peak usage hours and in such a way as to minimise the potential impact on You. Except for Emergency Maintenance, Clear Ideas Limited will provide You with at least 2 (two) business days prior written notification of such works. However, there may be occasions where the nature of the work is such that this notice period cannot be observed or exceptionally that no notice can be given. For the avoidance of doubt, all server maintenance, security, or emergency works shall be classified as Maintenance.

4.6 The inability of one or more of Your users to access the Services shall not constitute downtime if other users are simultaneously able to gain access or if Clear Ideas Limited can demonstrably secure such access over a standard browser (as this demonstrates the fault lies with You and not with the Services).

4.7 Where we fail to meet the SLAs for a consecutive 3 months, you shall have the right to immediately terminate these Terms and Conditions without incurring further liability.

4.8 For the purpose of this Schedule, the following definitions shall apply:

**"Effective Work-Around"** means:
